## **Recombinant DNA Registration Form**

Propo	roposal Title:	
Agen	gency (Institute):	
Princ	rincipal Investigator (PI):	
Depa	epartment:	
Brief	rief Description of Research:	
a.	The source(s) of the DNA.	
b.	Nature of the inserted DNA sequences.	
c.	The host and vectors to be used.	
d.	Will this rDNA be introduced into animals? If so, w route of introduction?	which species and by which
e.	Will a deliberate attempt be made to obtain expression of a foreign gene in the cloning vehicle? If so, what protein?	
comp	certify that I have read and understand the NIH Guidelines omply with them. I fully agree to notify the committee of search project.	<del>_</del>
