

Health Reimbursement Arrangement

Why You'll Love It

- It's funded solely by your employer.
- You can use it to pay for eligible healthcare expenses.
- Remaining funds in your HRA may roll over year to year - check with your employer for more details.

Your employer will let you know what expenses are eligible and how much money they will put into the account during your open enrollment period.

Using your HRA is easy

You will receive an Ameriflex debit card to pay for qualified expenses. Simply swipe your card and hang on to the receipt just in case the expense requires additional information. You can also pay for expenses out of pocket and submit a claim for reimbursement.
