

Summary of Required Graduate Admission Materials

This summary is a quick reference for admission into Florida Tech's graduate programs. See the individual program of study for application and transcript information.

G = GRE General Test
Verbal Reasoning
Analytical Writing Assessment
Quantitative Reasoning

S = GRE Subject Test

¹The application deadline for ABA and OBM programs is Feb. 15, and Jan. 15 for the doctoral program in behavior analysis. Fall semester enrollment only.

²Résumés are required of students who do not meet standard admission requirements.

³Application and related materials deadline is Jan. 15 for the Psy.D. program. Fall semester enrollment only.

⁴The application deadline for I/O Psychology is Jan. 1. Fall semester enrollment only.

NOTE: GRE scores, although required only in certain programs, are recommended in most others and often can result in a favorable admission decision that might not have been possible otherwise.

NOTE: International applicants include full name as it appears on your passport.
