

Chronic Illness Care and Physical Exams

The Student Health Center is acute care clinic and does not manage health care for long term/chronic illnesses or diseases. This includes writing refills on current medications prescribed by your primary care physician as well as refills for mental health disorders/ ADD/ADHD. We will be happy to assist you with a referral to a local specialist to provide your health care needs.

Routine, pre-employment, and athletics physicals are available at the health center for a charge of \$70.00. Payments can be made with cash or check payable to OMNI Healthcare.

The following local medical facilities are also available to complete general physicals:
