Important Certification Information

- You will be certified only for classes required in your degree/certificate program. Any classes not on your degree plan cannot be certified to the VA. Changes to your schedule after this form is submitted may cause considerable delays in receiving your payments.
- All failed courses are reported to the VA and could result in overpayments.
- Withdrawal from a class may cause delays in payments and result in repayments to the VA.
- If you change your program at any time you must contact your Certifying official immediately.
- Your VA annual cap (and Yellow Ribbon, if applicable) is insufficient to cover flight fees, so student is responsible for all flight training costs incurred.
- If you are uncertain if you are required to submit your Certificate of Eligibility and/or a Change of Program form, please check for outstanding requirements in PAWS through Access Florida Tech.
