The student completing this form agrees to the following terms and conditions:

1. Total tuition due for each semester enrolled at Florida Institute of Technology may be deferred for the duration of that semester. Full payment of the current semester's deferred tuition is due no later than 30 days from the date semester grades are posted. A \$25 missed payment fee is applicable if payment is not received by the due date.
2. Any collection costs and attorney fees incurred by Florida Tech in collecting past due amounts will be added to the total amount due. A late fee will be charged on all past-due balances at the rate of 1.5% per month (18% per annum).
3. In the event of an "Official Withdrawal" from class(es), payment of the balance will be due immediately. The balance due is based on the university's withdrawal/refund policy as stated in the *Schedule of Classes*.
4. While participating in the Corporate Deferment Program, the student will be eligible to register for the next semester. However, registration, as well as program participation, may be reviewed for cancellation if the deferred balance for any previous semester is not paid by the due date.
5. The student agrees to all the terms and conditions of this contract and understands that they will not be authorized to receive official transcripts and/or diploma until all the obligations of this contract have been met. Florida Tech reserves the right to deny any student the privilege of participating in the Corporate Deferment Program at any time.
