Discussion continued regarding the policy that allows 1000-level foreign language courses to fulfill the core social science or humanities requirement. Bill Gabrenya will contact Monica Baloga, the campus SACS representative, for information about specific SACS requirements. A February 25, 2005 report, submitted by the UGCC sub-committee that examined the university's core requirements, has been added to the UGCC's site under February 2008. UGCC members are asked to poll their fellow faculty for opinions on this matter.

Discussion continued about the need for and availability of science courses that have few or no prerequisites and/or would appeal to psychology and other students. No recommendation for change was made.

It was decided that the chair would arrange for Gary Hamme, Vice Provost for Enrollment Management, to address the UGCC about the General Studies program and the Co-op University.

Our next meeting is Friday, February 29, at 8:00 a.m. in the Physical Sciences conference room. Agenda items are due Friday, February 22.

Respectfully submitted,

Kathy Turner
Chair, Undergraduate Curriculum Committee
