

Greetings,

Our next UGCC meeting is scheduled for 8:00AM Friday, February 13, in the 3rd floor Dean's conference room of the Olin Engineering Building. The agenda items I have are as follows:

1. Adding a new program, Mathematical Sciences, to the curriculum. (This item was tabled at the last meeting.)
2. Adding a new course, BUS 3505, to the curriculum. (See the attached BUS3505.pdf and BUS3505 HUMAN COMPUTER INTERACTION.pdf.)
3. Changing graduation requirements for Physics. (See the attached Physics.pdf.)
4. Changing graduation requirements for Astronomy/Astrophysics. (See the attached Astronomy.pdf.)
5. Changing graduation requirements for Chemical Management. (See the attached ChemMan.pdf.)
6. Changing the credits for BUS 4784, Business Practicum. (See the attached Business.pdf.)
7. Changing graduation requirements for Business Administration, Business and Environmental Studies, Accounting, Management Information Systems, Information Systems in Business. (See the attached Business.pdf.)
8. Adding a new course, CVE 4032, to the curriculum. (See the attached CVE4032.pdf.)
9. Changing graduation requirements for Civil Engineering. (See the attached Civil.pdf.)
10. Adding new courses, CVE 2001,2,3, to the curriculum. (See the attached CVE2001.pdf.)
