

The addition or removal of any graduation requirement in a major requires that this form, accompanied by any supporting documentation, be completed and approved as indicated below.

College/School School of Management Department \_\_\_\_\_

Degree level BS Program title Business Administration (7067)

To be initiated with catalog year 20 05 /20 06

Brief description of requested changes (attach a more detailed description and any supporting documentation)

See attached Flow Chart. A zero credit Practicum Planning, BUS 4780, is added to the Fall senior semester. Students will formally register for the zero credit BUS 4780 in the semester prior to their graduation semester. This will set up a formal arrangement, with the Director of Industry Education as the instructor, for the student to do the preparatory work necessary for the realization of the internship that follows in their final semester. This is not a new requirement, but rather a formalization of the existing practice in this degree program.

APPROVALS

On completion of appropriate department approvals, submit form to Chair, Graduate Council, or Chair, Undergraduate Curriculum Committee, for approval below and forward to the Office of the Registrar.
