Advanced Placement (AP)

(see last section for foreign language exams)

Bold Green Lettering Indicates Florida Statewide Prefix Information and State of Florida College Courses.

Bold Red Lettering Indicates Florida Tech Equivalents Based on Fall 2003 Department Evaluations

Advanced Placement exams are taken after students complete the corresponding Advanced Placement course in high school. Advanced Placement courses are challenging, college-level courses that are designed to parallel typical lower-level undergraduate courses. Exams are developed by committees of college and secondary faculty, and are given to test groups of students in actual college courses to determine appropriate passing scores. More information about Advanced Placement, including descriptions of courses and sample examination questions, is available at www.collegeboard.com/ap.
