

The addition or removal of any graduation requirement in a major requires that this form, accompanied by any supporting documentation, be completed and approved as indicated below.

College/School Engineering Department Civil Engineering

Degree level BS Program title Civil Engineering 7043

To be initiated with catalog year 20 05 /20 06

Brief description of requested changes (attach a more detailed description and any supporting documentation)

We would like to change the flowchart (old-attached) and the curriculum listed in the university catalog. We currently require COM 3070 in the senior year. We would like to change it to communication elective to allow more flexibility in course selection.

APPROVALS

On completion of appropriate department approvals, submit form to Chair, Graduate Council, or Chair, Undergraduate Curriculum Committee, for approval below and forward to the Office of the Registrar.

COMMENTS

Each row represents a semester; for example, the first row indicates the courses to be taken in the Fall semester of the freshman year.

The number within () = number of credits assigned to the course.

Note: Arrows indicate pre-requisites and/or co-requisites. Solid lines (or solid arrows) indicate co-requisites and dotted lines indicate pre-requisites; Example: PHY 1001 is a co-requisite of PHY 2091, and MTH 1001 is a pre-requisite of MTH 1002.

++ Choose from CVE 4016 (Reinforced Concrete Structures), CVE 4019 (Timber Structures), or CVE 4013 (Steel Structures).

** Must be a senior to take this course.
