

Greetings,

Our first UGCC meeting is scheduled for 8:00AM Friday, October 8, in the 3rd floor Dean's conference room of the Olin Engineering Building. The agenda items I have are as follows:

1. Changing graduation requirements for Biochemistry. (See the attached Biochem.pdf)
2. Adding a new course, BUS 2602, to the curriculum. (See the attached BUS2602,4212.pdf.)
3. Adding a new course, BUS 4212, to the curriculum. (See the attached BUS2602,4212.pdf.)
4. Minors (No paperwork at present.)

Note: The attachments are unchanged from before but I have included them again because of the delay in our first meeting.
