

Greetings,

At the UGCC meeting on 10/08/04 the following items were addressed::

1. The request to change the graduation requirements for Biochemistry was approved with one abstention. (The approved form has been sent to the Registrar.)
2. The new course BUS 2602, Environmental Law & Forensic Studies, was approved unanimously. (The approved form has been sent to the Registrar.)
3. The new course BUS 4212, Environmental Auditing, was approved unanimously, subject to revision of the course prerequisites. The hope was that this course would be accessible to students from other majors. (The approved form has been sent to the Registrar with the prerequisite of BUS 2212 or permission of instructor .)
4. The proposals for minors in psychology, management and communication were tabled pending approval of general guidelines for minors at Florida Tech. A minors subcommittee was formed and charged with presenting the guidelines at the November UGCC meeting for approval. The subcommittee members are Bill Gabrenya, Barbara Pierce, Angela Tenga, Pierre Larochelle, Debra Blenis, Clayton Baum and Cookie Young.
