

Greetings,

At the UGCC meeting on 11/12/04 the following items were addressed:

1. The Catalog description of minors (unchanged from the draft of 10/22/04) was approved with 12 votes for the motion and 3 opposed. The objections included more time to consider the minors issue, more flexibility in defining minors, and more specific guidelines in approving new minors (e.g., number of upper level courses). This description is being included in the 2005/06 catalog.
2. The request to add a new minor in Psychology to the curriculum was approved unanimously. (The approved form has been sent to the Registrar.)
3. The request to add a new minor in Forensic Psychology to the curriculum was approved unanimously. (The approved form has been sent to the Registrar.)
4. The request to add a new minor in Business Administration to the curriculum was approved unanimously. (The approved form has been sent to the Registrar.)
5. The request to add a new minor in Management to the curriculum was approved with one abstention. However, it was suggested that other statistics courses (CSE 1400, MTH 2401) be allowed for BUS 2703 and that CSE 3030 be allowed for BUS 4503. These suggestions are under consideration by the Management faculty. (The approved form has been sent to the Registrar with the following two changes. BUS 4xxx Leadership and BUS 4xxx Employment Law were removed from the list of options since these are not existing courses; they have been taught as BUS 4504 Special Topics in Management, which is included on the list. One of the requirements has been tightened to read "At least 9 credit hours used in the minor must be earned at Florida Tech School of Management". This restriction also applies to the other three SOM minors.)
6. The request to add a new minor in Accounting to the curriculum was approved with one objection and one abstention. (The approved form has been sent to the Registrar.)
7. The request to add a new minor in Management Information Systems to the curriculum was approved with one objection. (The approved form has been sent to the Registrar.)
8. The request to add a new minor in Communication to the curriculum was approved unanimously. (The approved form has been sent to the Registrar.)
