

Greetings,

Our next UGCC meeting is scheduled for 8:00 AM Friday, December 2, in the 2nd floor conference room of the Olin Physical Science Center. The agenda items I have are as follows:

1. Changing graduation requirements in Aviation Meteorology, non-flight (See the attached AeroMet.pdf)
2. Changing graduation requirements in Aviation Meteorology, flight (See the attached AeroMet.pdf)
3. Policy on course description changes (See the attached Catalog_Policy_Oct_2005.pdf)
4. Policy on repeatable courses (See the attached Repeatable courses.pdf)
5. Designation of MET 1999 as a repeatable course. (See the attached MET 1999 notes.pdf)
6. Explanation and discussion of consent agenda. (See the attached Consent Agenda.pdf)
7. Input on UGCC archiving process. (See the attached Archiving UGCC.pdf)

Regards,
Clayton
