

2023-2024 Internship Report

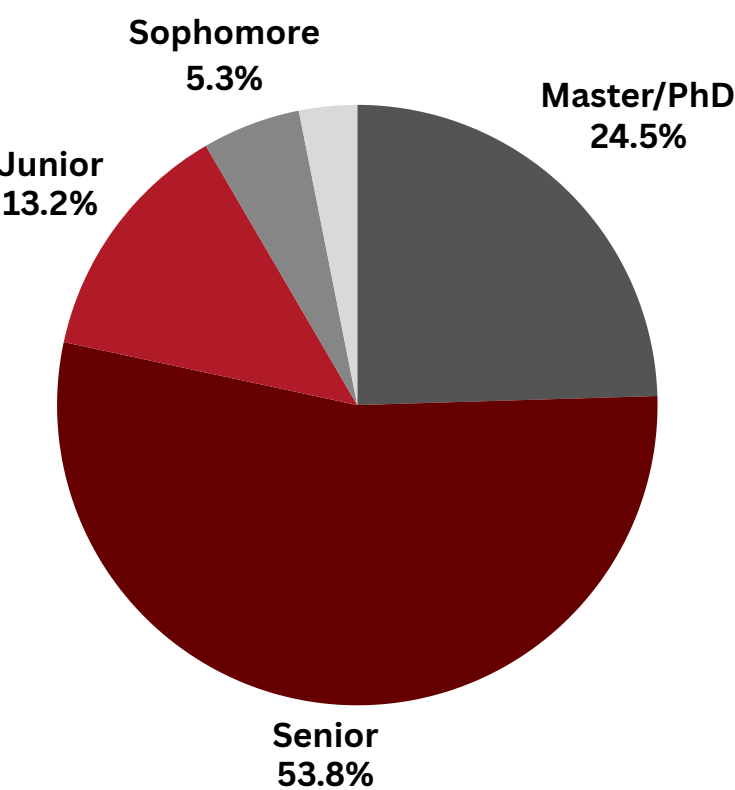

"Sixty percent of employers said their interns will work both in person and virtually. In comparison, less than half provided their 2022 interns with a hybrid experience."

-National Association of Colleges & Employers, Apr 2024

Career Services provides assistance in finding an internship through career fairs, employer events, interview days, workshops, individual appointments, and the Handshake/ CareerShift/ Interstride job boards.

If you would like to report an internship, contact career@fit.edu.

2024 Spring Break Externship Program: Company Hosts

[HTTPS://WWW.FIT.EDU/CAREER/STUDENTS/GAIN-EXPERIENCE/](https://www.fit.edu/career/students/gain-experience/)

Bowman

WHAT IS AN EXTERNSHIP?

The Host a Panther Externship Program pairs Florida Tech students with local employer partners during the week of Spring Break to participate in a one-to-five day job shadowing experience. Students can learn about a particular career or industry, gain hands-on experience, and build their professional network.
