

2021-2022 Internship Report

The hybrid model (remote & in person) is employers preferred format for 2021-2022 internships.

-National Association of Colleges & Employers, May 2022

Career Services provides assistance in finding an internship through career fairs, employer events, interview days, workshops, individual appointments, and the Handshake/ CareerShift/ Interstride job boards.

If you would like to report an internship, contact career@fit.edu.

2022 Spring Break Externship Program: Company Hosts

HTTPS://WWW.FIT.EDU/CAREER/STUDENTS/GAIN-EXPERIENCE/

WHAT IS AN EXTERNSHIP?

The Host a Panther Externship Program pairs Florida Tech students with local employer partners during the week of Spring Break to participate in a one-to-five day job shadowing experience. Students can learn about a particular career or industry, gain hands-on experience, and build their professional network.
