RECRUIT AT FLORIDA TECH - AND BEYOND!
Handshake is a powerful recruiting tool for employers!

The "Postings" area houses all the jobs you have posted and gives you a quick-glance view of applicants. You can view or export applicant packages to make your hiring decision easier. You can list a position for Florida Tech students and alumni - or expand your listing to more schools.

Narrow down potential hires to those who best fit your qualifications using advanced filtering options.

The "Relationships" area keeps all your student, school, and company contacts organized in one place.

The "Campus" area helps you manage your recruiting events, including info sessions, meet & greets, on-campus interviews, and career fairs.

Want to contact a candidate directly? With direct student messaging you can send them a private message through Handshake and receive a fast response.

STAY ORGANIZED!
Handshake keeps your recruiting activities organized with an easy-to-use interface.

As soon as you log in, you will see all your active jobs, interview schedules, and upcoming scheduled events. You can also easily post a job, request an interview schedule, or create an event right from your home page.
