| SHOU课程名                | 建议英文名  |
|------------------------|--|
| 51100 床住石              | 数理类  |
| 高等数学 A (一)             | Advanced Math A (1)                                    |
| 高等数学 A (二)             | Advanced Math A (2)                                    |
| 概率论与数理统计               | Probability & Statistics                               |
| 线性代数B                  | Linear Algebra B                                       |
| 复变函数与积分变换              | Functions of Complex Variables and Integral Transforms |
| 数学建模                   | Mathematics Model                                      |
| 基础化学                   | General Chemistry                                      |
| 基础化学实验                 | General Chemistry Lab                                  |
| 有机化学                   | Organic Chemistry                                      |
| 有机化学实验                 | Organic Chemistry Lab                                  |
| 海洋化学                   | Marine Chemistry                                       |
| 海洋化学实验                 | Marine Chemistry Lab                                   |
| 普通生物学                  | General Biology  |
| 普通生物学实验                | General Biology Lab                                    |
| 生物化学                   | Biochemistry   |
| 生物化学实验                 | Biochemistry Lab                                       |
| 鱼类学                    | Ichthyology  |
| 鱼类学实验                  | Ichthyology Lab  |
| 水生生物学                  | Hydrobiology   |
| 水生生物学实验                | Hydrobiology Lab                                       |
| 大学动物学                  | General Zoology  |
| 海洋无脊椎生物学               | Marine Biology Invertebrate                            |
| 海洋无脊椎生物学实验             | Marine Biology Invertebrate Lab                        |
| 甲壳动物学                  | Carcinology  |
| 甲壳动物学实验                | Carcinology Lab  |
| 软体动物学                  | Malacology   |
| 软体动物学实验                | Malacology Lab   |
| 组织胚胎学                  | Histology & Embryology                                 |
| 组织胚胎学实验                | Histology & Embryology Lab                             |
| 微生物学                   | Microbiology   |
| 微生物学实验                 | Microbiology Lab                                       |
| 分子生物学                  | Molecular Biology                                      |
| 细胞学                    | Cell Biology   |
| 环境规划                   | Introduction to Landscape Architecture                 |
| 生态学                    | Ecology Introduction of Fisheries                      |
| <u>渔业导论</u><br>花卉栽培与欣赏 | Cultivation and Appreciation of Flowers/Plants         |
| 植物与植物生理学               | Plant Physiology                                       |
| 海藻学                    | Phycology/Seaweed                                      |
|                        | Bioethics  |
| 生命伦理学                  | 工程类  |
| 工程力学实验                 | Engineering Mechanics Experiment                       |
| 工程力学                   | Engineering Mechanics Engineering Mechanics            |
| 工程流体力学                 | Engineer Fluid Mechanics                               |
| 理论力学                   | Classical mechanics                                    |
| 材料力学                   | Material Mechanics                                     |
| 机械原理                   | Mechanisms & Machine Theory                            |
| 金工实习                   | Metalworking Practice                                  |
| 空间测量与制图                | Surveying and Mapping                                  |
| 工程制图B                  | Mechanical Drawing B                                   |
| CAD三维造型                | CAD 3D Modeling  |
| 工程数据库应用                | Engineering Data Application                           |
| 水力学与泵                  | Hydraulics & Pumps                                     |
| 机械制图                   | Mechanical Drawing                                     |
| 电路理论                   | Circuit Theory   |
| 电路理论实验                 | Experimental Circuit Theory                            |
| 电工技术基础                 | Fundamentals of Electrician                            |
| 模拟电子技术                 | Analog Electronic Technology                           |
| 电子技术基础                 | Fundamentals of Electronics                            |
| 电子技术基础实验               | Fundamentals of Electronics Lab                        |
| 电气控制及PLC技术             | Electrical Control Technology                          |
| 电气工程概论                 | Introduction to Electrical Engineering                 |
|                        |  |

| 电子技术实验(双语)  | Electronics Technology Experiment (Bilingual)    |  |
|-------------|--|--|
| 电工技能及工艺实训   | Electronics Tech Training                        |  |
| 信号分析与处理     | Signal Analysis & Process                        |  |
| 数字逻辑        | Digital Electron Technology                      |  |
| 商科类         |  |  |
| 国际商法        | International Business Law                       |  |
| 品牌营销        | Marketing  |  |
| 证券投资学       | Principle of Security Investment                 |  |
| 城市规划理论      | Theory of City Planning                          |  |
| 商务谈判技巧      | Skills in Business Negotiation                   |  |
| 基础类         |  |  |
| 大学英语 1-4    | College English 1 - 4                            |  |
| 中国近代史纲要     | Compendium of Chinese Neoteric & Modern History  |  |
| 形势与政策1-4    | Situation & Policy 1-4                           |  |
| 思想道德修养与法律基础 | Cultivation of Thought, Morality and Legal Basis |  |
| 马克思主义基本原理概论 | The Basic Tenets of Marxism                      |  |
| 职业生涯规划      | Career Planning                                  |  |
| 文学赏析        | Literature Appreciation                          |  |
| 计算机应用基础     | Fundamentals of College Computer                 |  |
| 计算机网络       | Internet   |  |
| 计算机绘图       | Computer Mapping                                 |  |
| 网页制作技术      | Web Technology                                   |  |
| 程序设计语言(C语言) | Programming Language Design (C Language)         |  |
| 数据库系统原理     | Database App Infrastructure                      |  |
| 体育专项        | Physical Education                               |  |
