Course Number	Title	Credit hours
BIO 5990	Biological Sciences Seminar	0

Total Credit Hours _____

Advisor Signature Date

+++++

GPC Approval _____
GPC Committee Signature Date

INSTRUCTIONS TO THE STUDENT

The academic record and career goals of all incoming graduate students are reviewed at a preliminary conference with their advisor. Any course deficiencies or graduate transfer credits are established and the student is assisted in the selection of courses for the first semester. Use the courses listed on this form as a guide to complete the University's class REGISTRATION FORM.

After registration submit this completed form to the Biology office for placement in your graduate folder.
