Add Timeslots : Research Methods Questionnaire 1

This study was created as an online (web) study. Because a participant may participate in an online study at any time, most researchers create a single timeslot. The single timeslot contains the maximum number of participants who may participate, and has a final participation date of the last date that participants may participate.

Final Participation Date	<input type="text" value="Tuesday, February 3, 2015"/>
Final Participation Time	<input type="text" value="11:30 PM"/> <input type="button" value="⊙"/>
Max. Number of Participants	<input type="text" value="25"/>
Researcher	<input type="text" value="Emily Burch"/> ▾

- **If participants can sign up outside Sona Systems**, but you want to grant them credit in Sona Systems, click on *My Studies*, click on *timeslots*, click on *modify*, then scroll down to manual sign up, and enter participant's last name.
