Reception Locations

- Hartley Room
- Foosaner Art Museum

You are not limited to the locations mentioned above. We have many beautiful areas throughout campus that may be considered for your special day.

On-Campus Transportation

Imagine leaving your wedding ceremony or reception in a genuine San Francisco trolley. Book your wedding on our campus and it can be arranged!

Wedding Catering

Florida Tech Catering will make your special day beautiful and delicious. Our chefs and catering staff are highly trained professionals who are experienced in all levels of service. We offer three basic types of service for weddings. Due to the unique nature of each wedding, we customize your special event from top to bottom to provide you with the most accurate pricing and seasonal offerings. You will work closely with a friendly catering consultant every step of the way to create your event.

HORS D'OEUVRES RECEPTIONS

Receptions offer your guests the ability to move around and socialize in a less formal setting. The food offerings range from Fresh Fruit Displays and Crisp Crudites to Bacon Wrapped Scallops and Mini Empanadas. We will provide you with an extensive list of crowd-pleasing favorites and cutting-edge new offerings. Guests will have the ability to sample many different items throughout the evening with an hors d'oeuvres reception. Depending on the types of items offered, this may be your most economical option.

BUFFET-STYLE DINNERS

Buffet-style dinners offer your guests a trip through one of our delicious buffets, where they decide what they would like to eat for dinner. Offerings range from Roasted Beef Tenderloin Medallions with Mushroom Demi Glace to Chicken Pomery with White Wine Mustard Sauce. You will also select from our gourmet soup, salad and side items options to round out a tasty dinner. Guest tables in the room are set with table linens and silverware.

SERVED MEALS

Served meals are the most formal option we provide. Your guests will be served a gourmet meal designed by you and the catering team. The tables are set with linen and silverware, and you will have a team of servers to cater to your every need. Offerings range from Bronzed Sea Bass with Sun Dried Tomato Orzo and Asparagus to Stuffed Portabella Mushrooms with Horseradish Mashed Potatoes and Tri Colored Beans. The number of courses will be determined by you and your catering consultant.

The Conference Services Bureau of Florida Institute of Technology welcomes you to one of the most attractive campuses on the central east coast of Florida. With many wedding ceremony and reception locations to select from, along with an award-winning catering department, your special day will be the occasion that you and your guests will remember for a lifetime.

Our Conference Services staff understands that each event is unique and will work closely with you to make sure your event suits your needs.

Our services include:

- One-stop shop—the Conference Services Bureau provides you with one university contact, one contract and one final invoice for all event services, including rental fees, audio-visual, catering and staffing
- On-site catering provides delicious and affordable options for every taste and budget
- Free parking and 24-hour campus security
