This Permit is NOT assignable or transferable.
Dear Exempt Organization:

Enclosed, please find your ST-5 certificate. You will receive only one ST-5 certificate. Please RETAIN AN UNSIGNED ORIGINAL in your files for future use and as part of your permanent records. Make as many copies as you need to give to vendors, for proof of tax exemption, when your organization purchases meals, hotel/motel room occupancies and taxable goods and services (except gas and electricity, which do not qualify for exemption).

The ST-5 Exempt Organization Certificate may be used only when the organization is the direct purchaser using the organization’s funds. Misuse of the ST-5 certificate may result in revocation of the certificate.

If the name, address, purposes or operations of your organization changes, you must notify Regulatory Services or the Client Registration Branch as soon as possible.

**NOTE:** The ST-5 does not expire; it is good for the life of the organization and does not need updating unless the address, name and/or purposes of the organization changes.

Instructions for exempt organizations: Form ST-5 is valid for exemption from sales and use tax on all purchases (except for retail sales, electricity, and their related transportation and transmission services), if the purchase is directly related to the organization’s purposes and made with organizational (not personal) funds. Retain the original ST-5 (unsigned) in files, make copies and complete and sign them for sellers. Notify the Division of changes in organization name, address, purposes or exempt status.

Instructions for sellers (and exempt organizations):
(a) The ST-5 exempt organization certificate must be an official certificate having the signature of a Director of the Division of Taxation or a photocopy of the certificate and must have the organization’s name, address and exempt organization number pre-printed by the Division on the upper portion of the certificate, with no apparent alterations.
(b) The certificate must be properly completed, dated, and signed by an officer of the organization.
(c) For non-profit organizations, this exemption applies to sales tax, but not the state “occupancy tax,” the “municipal occupancy tax,” or the “Atlantic City luxury tax.”

Sales transactions not supported by proper exemption certificates shall be deemed to be taxable sales. In this situation, the seller has the burden of proving that the transaction was not due. Bills or receipts must show the exempt organization as the purchaser. Payment must be from the funds of the exempt organization. Certificates must be retained by the seller for a period of not less than four years from the date of the last sale covered by the certificate. Subordinate or affiliated organizations may not use the exemption certificate assigned to the parent organization.

Additional Purchases: This certificate covers additional similar purchases by the same organization. Each sales slip or invoice must show the organization’s name and exempt organization number.

ST-5A PERMIT: This Exempt Organization Certificate (ST-5) also serves as an Exempt Organization Permit (ST-5A) for the organization to which the certificate is issued.
