GOLF CART & LSV CART OPERATING PROCEDURES

Rules Applicable to ALL Drivers:

- All operators of LSV (Low Speed Vehicle) carts must have a U.S. valid driver's license in their possession while operating an LSV cart, as well as a valid identification card and certification of training kept in their personal record.
- Operators of standard golf carts (NOT LSV) are not required to have a U.S. driver's license. Employees, students, operators, or anyone else using or attempting to use a cart on campus shall attend a training session. Training sessions will be conducted by the Facilities Office.
- All operators shall operate the cart at speeds in a safe manner as determined by the traffic in which they are operating.
- Carts may not be operated off-campus. This does not prohibit carts from crossing a road or street at an intersection, protected by traffic signals or crosswalks.
- Passengers and Golf Cart operators must keep all parts of their body within the cab of the Golf Cart.

Rules for Regular Golf Carts (NOT LSV)

- NO DRIVING on city roads.
- Use University roadways and parking lots where possible. NOTE: University roadways refer to those internal to the campus as depicted in the green routes in the allowable golf cart access routes map.
- DO NOT cross Babcock Road unless in the approved cross walk.
- Avoid crossing University Boulevard when possible
- If you must cross University Boulevard, please use the designated crosswalk.

Rules for Licensed for Road Use/LSV Golf Carts

- ALL passengers must wear a seatbelt at all times
- You are permitted to drive on city roads with a posted speed limit of 35 miles per hour or below City roads includes University Boulevard and Country Club, BUT exclude Babcock Road due to the speed limit
- Avoid crossing Babcock Road when possible.
- If you must cross Babcock, use University Boulevard traffic lanes and not designated crosswalks.
