

Approved 2020-11-10

**FLORIDA INSTITUTE OF TECHNOLOGY
FACULTY SENATE**

**Updating College and Library Promotion and Tenure Guidelines and Criteria
in the Faculty Handbook**

- Whereas** The Florida Institute of Technology Faculty Handbook contains *FH Appendix 2: Promotion Guidelines: College of Engineering*; and
- Whereas** The Florida Institute of Technology Faculty Handbook contains *FH Appendix 3: Promotion Guidelines : College of Science*; and
- Whereas** The Florida Institute of Technology Faculty Handbook contains *FH Appendix 4: Promotion Guidelines: College of Aeronautics*; and
- Whereas** The Florida Institute of Technology Faculty Handbook contains *FH Appendix 5: Promotion Guidelines: College of Psychology and Liberal Arts*; and
- Whereas** The Florida Institute of Technology Faculty Handbook contains *FH Appendix 6: Promotion Guidelines: Nathan M. Bisk College of Business*; and
- Whereas** The Florida Institute of Technology Faculty Handbook contains *FH Appendix 7: Faculty Evaluation Procedures: Evans Library*; and
- Whereas** Each of these documents in the Florida Institute of Technology Faculty Handbook is outdated; and
- Whereas** Each of the college guidelines were revised and implemented in 2018; and
- Whereas** The library promotion guidelines and criteria were revised and implemented in 2019; and
- Whereas** The currently implemented documents have been made available only on the Faculty Senate web page; and

Whereas The Faculty Handbook, as described in its Introduction, “is a core governance document of the Florida Tech academic community. The Faculty Handbook establishes university governance, faculty rights, faculty responsibilities, and academic policies. Among the most important academic policies defined by the Faculty Handbook are those related to teaching, scholarship, advising, appointment, tenure and promotion.”; and

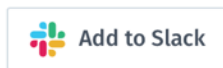

Whereas When further revisions are required, the Faculty Handbook contains *FH 1.6 Faculty Handbook Revision Procedure*, detailing the process for revision and approval of any proposed changes to the Faculty Handbook;

Therefore, be it resolved that

The Florida Institute of Technology Faculty Senate proposes that the outdated documents in Appendices 2-7 in the Faculty Handbook be replaced with the promotion and tenure criteria for the College of Aeronautics, the Nathan M. Bisk College of Business, the College of Engineering and Science, the College of Psychology and Liberal Arts, and the Evans Library that are currently available on the Faculty Senate web site (<https://www.fit.edu/faculty-senate/>).

Updating College and Library Promotion-Tenure Guidelines in FH
