

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.**

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage visit <http://icubabenefits.org> or by calling 1-866-377-5102. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	<b>\$4,000</b> in-network per person; <b>\$8,000</b> family/ <b>\$8,000</b> out-of-network per person; <b>\$16,000</b> family.	You must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> . The deductible starts over each April 1 <sup>st</sup> . See the chart starting on page 2 for how much you pay for covered services after you meet the deductible.
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. Deductible doesn't apply to in-network: preventive care, Teladoc, office visits, prescription drugs, outpatient facility labs, or advanced imaging. Doesn't apply to in- or out-of-network: emergency room, urgent care, convenient care, or emergency transportation.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No.	You do not have to meet deductibles for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	<b>\$5,350</b> in-network per person; <b>\$10,700</b> family/ <b>\$10,700</b> out-of-network per person/ <b>\$21,400</b> family. There is a separate out-of-pocket limit for prescription drugs (see page 3).	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	<a href="#">Premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. See <a href="http://myhealthtoolkitfl.com">http://myhealthtoolkitfl.com</a> , contact Essential Advocate at 1-888-521-2583 or call BCBS customer service at 1-855-258-9029 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the plan's <a href="#">network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. See the chart starting on page 2 for how this plan pays different kinds of providers.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No.	You can see the <a href="#">specialist</a> you choose without permission from this plan.

# Summary of PPO Benefits

Benefit Period April 1-March 31

A PPO, or Preferred Provider Organization, offers two levels of benefits. If you receive services from a provider who is in the PPO network, you'll receive the highest level of benefits. If you receive services from a provider who is not in the PPO network, you'll receive the lower level of benefits. In either case, you coordinate your own care. There is no requirement to select a Primary Care Physician (PCP) to coordinate your care. Below are specific benefit levels.

Note on Out-of-Network Providers: Services rendered by an out-of-network provider may be subject to balance billing by the out-of-network provider for the difference between the allowed amount and provider billed charges. This is not intended as a contract of benefits. It is designed purely as a reference of the many benefits available under your program. Please see your Plan Document for detailed information on plan terms and the appeals process.
