

# Dependent Care Account

With a dependent care account (DCA), you can contribute up to \$5,000 pre-tax per year to use on a child dependent under the age of 13 or dependents who are unable to care for themselves. Unlike a Flexible Spending Account, DCA funds can only be used as they are deposited into your account.

## Eligible Expenses

You may be reimbursed only for care that enables you to work, go to school full-time, or look for work on a full-time basis. DCA funds can be used on expenses such as:

- Tuition for licensed daycare facility
- Preschool
- After-school programs
- Elder care
- Summer day camps
- In-home dependent care services
