

KEEP UP WITH YOUR PRESCRIPTION DRUG BENEFITS — FROM ANYWHERE

The **My Rx Toolkit**SM app provides easy access to details you need

Need to know more about your prescription drug benefits? Often, questions come up when you're on the go, such as at the doctor's office or pharmacy. Now there's a mobile app to help you find the answers easily.

The **My Rx Toolkit** app lets you look up coverage information, copays and options for your medications, all with the convenience of using a mobile device. You can use the app to:

- ◆ Set up home delivery of medications. Fill, renew or transfer prescriptions for delivery directly to your door, often for less than you'd pay at a retail pharmacy.
- ◆ Look up cost information for your medications, including how much you can expect to pay out of pocket.
- ◆ See if lower-cost alternatives may be available.
- ◆ Find a network pharmacy near you.
- ◆ Initiate conversations with your health care providers.

Getting the app

You can download **My Rx Toolkit** from the App Store or Google Play. Log in with the same username and password you use for **My Health Toolkit**[®] — there's no need to create a new account.

It's one more way to make the most of the benefits you have with your health care plan!
