Accumulation of Elimination Days: You can satisfy the days of your elimination period with either total (off work entirely) or partial (working some hours at your current job) disability.
**Pre-Existing Condition**

This plan will cover a disability if it is caused by, contributed to by, or results from a pre-existing condition and the disability begins after being insured for 12 consecutive months from his/her effective date of coverage. If the time period requirements are not met, the disability is excluded from coverage under the plan.

Pre-Existing Condition means a sickness or injury for which the insured received treatment within 3 months prior to his/her effective date of coverage. Treatment includes consultation, care, or services from a doctor, or other medical professional recommended by a doctor. It also includes being prescribed medicines, taking prescribed medicines (or the fact that the insured should have been taking prescribed medicines, but chooses not to), and receiving diagnostic measures.

**Survivor Income Benefit**

A survivor benefit may be paid to your beneficiary if you should die while receiving qualifying disability payments.
