End of Year Reminders

The end of the year is a great time to update your address and make sure your personal information is accurate!

Putting in the extra effort all year can really pay off. Rally incentives can be redeemed for gift cards to online, and brick & mortar, retailers from Amazon to Zappos! Use your Rally Dollars to keep some money in your pocket this holiday season.

Access Rally using the ICUBA Single Sign-on at http://ICUBAbenefits.org or by using the Rally mobile app.

Did one of your dependent children turn 26 in 2021? If the answer is yes, please note eligibility for coverage will end, and your dependent will age-out of the plan on December 31, 2021. Dependents who age-out of coverage will be removed from your plan and sent COBRA notification via U.S. Postal Service.
