

Save Money by Choosing Blue Distinction[®] Total Care (BDTC) Doctors

Need to see a doctor? **Choose family physicians, internal medicine physicians or pediatricians with a BDTC designation and your copayment will be \$0.** This is an enhanced benefit for members of the ICUBA health plan through Blue Cross and Blue Shield of Florida, Inc. (BCBSF).

What is a BDTC designation?

Doctors with this recognition are dedicated to improving the quality of care for their patients. They also specialize in care for people with chronic conditions — such as diabetes, asthma, COPD and heart problems — to ensure each person receives preventive screenings and

follow-up care. BDTC designation does not necessarily mean they provide a higher standard of care than other doctors. It means these doctors take part in a quality improvement program recognized by BCBSF.
