

18-MONTH COMPLIANCE

Compliance Information: Students approved for the STEM Extension of OPT are *required* to submit a validation report to the ISSS Office at the six, 12, 18 and 24 month mark following the start date of their STEM OPT period. SEVP will send you a reminder email of your obligation. The validation report must be submitted to ISSS on the due date, even if you have recently reported a change in your employment. Please complete this form and submit it to iss@fit.edu. For additional information regarding your reporting compliance requirements while on STEM OPT, please visit the [ISSS website](https://www.fit.edu/international-student-and-scholar-services/current-students/f-1-student-employment/stem-opt-extension/) at <https://www.fit.edu/international-student-and-scholar-services/current-students/f-1-student-employment/stem-opt-extension/>.
