In reference to my application for economic hardship, I understand that I can only work part-time while school is in session and full time during official university breaks. This authorization is only valid for the dates requested/granted on my application/work card, and that I must maintain my full-time student status and continue to obey all immigration rules and regulations for the duration of my studies at Florida Tech.

I understand that if I withdraw from the university, transfer out to another university, or violate my immigration responsibilities in any way, the employment authorization will be terminated and that I must cease all off-campus employment.
