I understand that to comply with Veterans Administration (VA) regulations, Florida Tech must submit registration and, at times, academic progress reports to the VA. Furthermore, I understand that any changes in my registration status or enrollment (e.g., add, drop, withdrawal) may affect the VA benefit amounts and, as a result, other financial aid I receive, or may result in a balance owed to Florida Institute of Technology, the VA or both. Finally, I understand that I am responsible for any outstanding balance on my student account.
