The Division of Student Life is dedicated to assisting students in developing the values of character, conscience, civility and citizenship, appreciating and embracing diversity, and building individual and social responsibility.

#PANTHER4LIFE
Our students are the heartbeat of Florida Tech, and what better way to measure the pulse on campus than by taking stock of our programs and contributions to student life during the past year.

The Division of Student Life has been restructured to better serve the needs of our students, with stronger support in all aspects of student experiences. Student life encompasses community life, health, wellness, career, and self-efficacy areas such as leadership, service, and diversity, as well as academics to ensure student needs are being met in a holistic approach.

The work we have done in student-centered campus life programming, student mentoring, professional development, fiscal responsibility, policy development, and federal and state regulatory compliance has been expanded to reflect our growing and diverse university.

Florida Tech's student experience is continually evolving. Our staff, faculty and administrators are dedicated to supporting the well-being, development, and success of every student.

Go Panthers!

BINO CAMPANINI
CLASS OF ’90,’92
STUDENT LIFE IS:

Student Involvement
Campus Ministry
Career Services
Counseling & Psychological Services
Health Services
International Student & Scholar Services
Recreation
Residence Life
Student Orientation

WE ARE DRIVEN TO:

To intentionally develop programs and services that support and challenge students to celebrate and advance Florida Tech’s core values of:

- Research to benefit all humankind
- Student success for a lifetime
- Great global citizenship
GET INVOLVED!

Engage @ Florida Tech:
Explore activities, clubs, organizations, and departments to get engaged in Panther Life on campus.

The office of the Student Life provides valuable resources for students as they navigate their way through academic, personal, and professional opportunities on campus.

Our goal is to increase student engagement in every aspect of student's Florida Tech experience. More resources are now available to be able to respond to student needs and increase our engagement with you!

We believe learning takes place inside the classroom and outside - that's why we make it easy for you to use and develop your talents through Student Involvement. Getting involved on campus builds career and personal skills you will carry with you long after you leave campus.

I invite you to get involved, meet new people, share ideas and learn more about yourself.
Dean of Students,
Rodney Bowers
Student Involvement, through its programs and facilities, coordinates and implements a comprehensive cultural, educational, recreational, and social co-curricular program that contributes to the University's primary mission of overall student success. Our programs complement Florida Tech's top tier academic experience - we have abundant student activities, clubs and organizations, campus programming, leadership development, Greek Life, and civic engagement to become immersed in.

FLORIDATECH.EDU/STUDENT-INVolVEMENT
Being a member of a student organization enriches your years at Florida Tech in many ways. The friends and experiences balance the demands of college life and provide you with opportunities to explore new interests, develop skills, enhance your academic program, and make an impact in our community.

Not all your learning will be done in labs or through lectures. Other activities, such as attending a musical production in Gleason Performing Arts Center or laughing the night away with a comedian sponsored by the Campus Activities Board, will provide learning experiences outside the classroom. Joining a club or being elected to the Student Government Association can also expand your horizons.

Clubs and organizations can be found at Florida Tech. Are you looking to make new friends or explore something new? Choose a group related to your major or find a cause you can contribute to.
STUDENT ACTIVITIES FUNDING COMMITTEE

All student clubs and activities have the opportunity to request funds through the Student Activity Funding Committee. SAFC is managed by students and funds dispersed for various activities enhance student life at Florida Tech.

Florida Tech’s Greek Community inspires academic excellence, leadership, diverse community and campus involvement within all aspects of our daily lives. Greek Life provides the grounds for the development of well-rounded and balanced individuals who understand their responsibilities within a safe, social atmosphere. Life-long bonds are created through principled procedures that are the essence of fraternity and sorority life. The Greek Community here continuously promotes unity among all, while maintaining active involvement in each chapter and a commitment to lifelong service.

#PANTHERSGOGREEK
GREEK LIFE

31% make Dean's List  10% make a 4.0 GPA

NPHC: 4 interest meetings
Expanding fall 2019

Fraternities and Sororities were founded with high ideals and values and Greek Life at Florida Tech upholds these traditions:

- Leadership
- Scholarship
- Community Service
- Friendships

Florida Tech currently hosts eleven national fraternities and sororities in Greek Village and in off-campus houses.

73 Leadership Programs
26 Philanthropy Events
Florida Tech's Office of Civic Engagement seeks to provide opportunities for students, faculty, and staff on our campus and in the surrounding community. We will match community needs with student and employee interests as well as develop individual and collective actions designed to identify and address issues of public concern. Civic engagement looks beyond simply acquiring knowledge and skills. In creating leaders through the office of Civic Engagement, Florida Tech provides the tools to build connections to both the local community and the world at large.

#PANTHERS DO GOOD THINGS
CIVIC ENGAGEMENT

The habits of thoughtful and engaged leaders are best developed in college through involvement in the community.

Through the Office of Civic Engagement, students have the opportunity to become involved in service, enhancing their overall leadership experience via experiential learning.

Student involvement in civic engagement activities are tracked and recognized during annual award ceremonies. Civic Engagement are active each semester and include:

- Relay for Life
- Big Day of Service
- University Experience
- Alternative Spring Break
Recreational activities and intramural sports provide students the physical benefits of exercise and develops the social values of sportsmanship. Team and individual activities will enrich the lives of all participants throughout their time on campus, and transition into life skills after graduation.

#PANTHERRECREATION
Recreational activities are designed to cater to both novice enthusiasts looking to participate as well as advanced athletes looking for a competitive outlet. Intramural sport leagues and tournament play are offered.

**LINEUP:**
- Flag Football
- 3v3 Basketball
- 5v5 Basketball
- 7v7 Soccer
- 11v11 Soccer
- Softball
- Volleyball

**Tournaments:**
- Bowling
- Dodgeball
- Ping Pong
Your experience at Florida Tech encompasses intellectual, physical, emotional, social, and spiritual growth here on campus. Student orientation will help create the foundation for students to build upon in all these areas. Ideas, people and activities from other cultures will inspire you. Staff, faculty, and administrators are here to support your well-being and growth. Panther Pride begins at orientation - not only will you strengthen your involvement across campus, you'll build the foundation that will contribute to your success!

#PANTHERWELCOME
ORIENTATION

Student Orientation at Florida Tech is committed to assisting new students and their families in their transition to the university by providing educational and social opportunities to increase your awareness about the resources we have available for you. We challenge you to develop a world perspective by appreciating and embracing diversity, developing global leadership skills, and building personal integrity.

90% of new students that attend orientation make easier transitions, find helpful resources, and meet new new students.

BY THE NUMBERS:

Fall:
- 145 events
- 45 collaborations
- 60 orientation leaders

Spring:
- 32 events
- 30 collaborations
- 15 orientation leaders
Residence Life strives to provide a friendly, engaging residential experience that is conducive to the academic and real-life success of the modern college student. The dedication to customer service, exemplary leadership, and educational programming experiences provided by our Residence Life team is what distinguishes student experiences. Infusing students with a strong sense of membership with their neighbors, Residence Life creates bonds that inspire global citizenship through community service and philanthropy.

#PANTHERLIVING
RESIDENCE LIFE

500+ programs
13,000+ participants

Residence Life provides four main types of programs as real life learning through interactions with roomates, floormates, community programs and campus clubs and activities. Community interaction programs are specific to a floor or smaller building and planned by the RAs. Activities are designed to meet the needs of students in these communities. Continuous programs are events held each week at the same time so residents can incorporate the program into their weekly routine. This consistency helps build relationships with fellow residents.

Annual programs including:
- Sports Spectacular
- Trick-or-Treat
- Casino Night
- Leave Green
Treat-or-Treat is a long-standing tradition on the Florida Tech campus, starting as an avenue for local elementary school student to have a safe trick-or-treating experience.

During Treat-or-Treat the Housing Quad residence halls are turned into age appropriate haunted houses with each house targeting a specific age-range.

The sustainability garden is turned into a pumpkin patch and the center of the Housing Quad is filled with bounce houses.

Carnival games are hosted by student organizations and campus office up on the Pantherium.

Treat-or-Treat is open to the public, free, and over 2000 guests attend.
During Casino Night, the Hartley room and surrounding lobby areas is turned into a Vegas-style casino. RAs and students are encourage to wear semi-formal attire to create a night out vibe.

Students receive complimentary chips to play casino games such as poker, roulette, craps, and blackjack. The chips can be used at the end of the evening to bid on prizes being auctioned.

Students are encouraged to bring canned items for donations to the Daily Bread.

Food and beverages are available. Over 400 students attended in Spring, 2019.

Casino Night is designed to bring the campus community together before students start the final push toward exams and senior design projects.
Leave Green makes the end of the semester move-out sustainable with resources available on campus for students to donate food, cleaning supplies, clothes, furniture, and appliances to good causes. The program reduces the amount of trash going to landfills and reduces the expense to the University. Over 4.5 tons of items have been donated through Leave Green.
Enriching student experiences with responsive and direct engagement.

#Panther4Life
Located by the Aquatic Center, the 500 seat Panther Dining Hall is open breakfast, lunch, and dinner and includes a full service Panther Grocery Store. The SUB Cafe at the Homer Denius Student Center serves handcrafted Starbucks lattes and is open for breakfast and lunch. The Rathskeller Eatery at Evan's Hall is open for lunch, dinner, and late night. Additional locations include the Library Coffee Shop, Center Courte smoothie shop at the Clemente Center, and Black Kats Kafe at Evan's Hall.

#PANTHERDINING
DINING

Career Services provides career and job search services to Florida Tech students and alumni. Our mission is to help students in the development of career plans and job search skills. Career Services acts as a liaison among Florida Tech students, alumni, faculty, staff and employers. Handshake is the job resource database we use. With Handshake, you can search for job opportunities based on your interests, major, or geographic location. In addition to our services, we assist in helping students engage in work experience programs before they graduate.

#PANTHERNETWORK
Career Services provides a wide variety of services designed to meet the career and employment needs of students and alumni. Appointments can be in-person or virtual to best fit individual needs. Schedule time to:

- Resume reviews
- Job search
- Mock interviews
- Career assistance
- Co-op assistance

We also host career events to help you meet prospective employers, work with mentors, and practice your career development skills:

- Career Expos
- Real World 101 Conference
- Employer events
- Outreach events
- Workshops
