MEMORANDUM

To: UGCC
From: Julia Grimwade, Chair, BIO Programs

For BIO 4011/4012; BIO 2111/2112, and BIO 3211/3212, we are adding the lecture courses (xx11) and co-requisites for the lab courses (xx12). This is for the 2021-22 catalog.

The justification for the late request is that, when the 4-credit courses were split into the 3+1 courses last summer, it was not anticipated that the pandemic would last this long and that the 3+1 courses were not expected to be offered this coming fall. As such, the requested changes are necessary to prevent a large number of waivers, and the requested changes are consistent with the 4-credit versions of the courses.
